SUMMER SEMESTER		
BIO 139	Anatomy and Physiology II**	(4)
Subtotal		(4)
Grand Total		38-45
<p>Program Coordinator Notes:</p> <p>*Notes Students must achieve a minimum grade of "C" in each Dental Assisting (DAS), Dental Assisting/Hygiene (DAH), and approved science courses. CPR (BLS for Healthcare Providers) must be successfully completed prior to enrolling in the first semester dental assisting courses and must be kept current throughout the program. It is possible to be accepted to the program without completion of the pre-requisites listed above; however, admittance into the first semester dental courses would be contingent on completion of pre-requisite requirements. **If a student waits to take BIO 139 until the summer after completion of the dental assisting courses, graduation will be delayed.</p>
